

KBB Retail Hall of Fame

Launched this year, with inaugural sponsor boiling water tap brand Wödär, the KBB Retail Hall of Fame honours KBB retailers who have made significant contributions to the industry.

Acknowledged for demonstrating excellence, setting and maintaining standards and leaving a legacy, accomplished retailers will now be recognised in perpetuity.

Nominated by the industry and chosen by the industry, selected by a panel of experts, the first selection of accomplished retailers have been inducted into the Hall of Fame.
